SKILLS

PROGRAMMING

Python • R • SQL

LIBRARIES & TOOLS

Pandas • NumPy • Scikit-Learn • SciPy • Seaborn • Matplotlib • PyTorch • TensorFlow • Keras

DESIGN & WEB

Visual & Graphic Design Fundamentals • Layout & Composition • Branding • UX Design • UI Design • HTML • CSS • Adobe Photoshop

SOFT SKILLS

Communication • Collaboration • Time Management & Organization • Problem-Solving • Adaptability & Continuous Learning

EXPERIENCE

PPD Technology — Marketing, Data & Operations Analyst

2025 – Present

- Analyzed merchant portfolio performance to compare cash-discount vs. standard pricing models; delivered data-driven recommendations that increased agent effectiveness.
- Developed and maintained interactive KPI dashboards to monitor growth; automated reporting to support leadership decision-making.
- Performed marketing analytics on campaign ROI, channel effectiveness, and lead conversion to optimize spend and strategy.

- Analyzed agent support data to identify root causes of merchant issues; drove targeted training and process improvements that enhanced customer experience.
- Conducted product and market research by synthesizing competitive data and internal metrics; informed product roadmap and fulfillment.

PR Agency — Sales (Part-Time)

Dates available upon request

Supported outbound prospecting and assisted with client acquisition.

E-Commerce — Owner/Operator

2018 – 2020

- Built and ran multiple online stores (e.g., blue-light-blocking glasses, earphones, and seasonal accessories), handling product research, supplier sourcing, listings, and pricing.
- Managed e-commerce storefronts, product copy, and creative; executed lightweight A/B tests on product pages and checkout to improve conversion.
- Drove traffic via organic channels (SEO, social, email) and monitored funnel metrics and unit economics (AOV, refund rate, margin).
- Oversaw fulfillment and customer support, implementing simple analytics to reduce returns and improve response times.

SEO Agency — Owner

2014 – 2017

- Founded and ran a local SEO & online marketing consultancy serving Urgent Care clinics in my area.
- Delivered local search growth through technical and on-page SEO, content strategy, and structured data (LocalBusiness/MedicalOrganization schema).
- Managed Google Business Profiles, citation cleanup, reviews strategy, and location landing pages to improve map-pack visibility.
- Built simple reporting using Search Console and Google Analytics; coordinated PPC when appropriate and presented results to stakeholders.

PR Agency — Sales (Part-Time)

Dates available upon request

- Supported outbound prospecting and assisted with client acquisition.

EDUCATION & CERTIFICATIONS

Google Data Analytics (Professional Certificate) — Coursera

Beginner level • ~6 months at ~10 hrs/week

Link: <https://coursera.org/share/eaecdf5fb6f8830723428acba2cf236f>

Google Advanced Data Analytics (Specialization) — Coursera

Advanced level • ~6 months at ~10 hrs/week

Link:
